

JAMES MORRIS

Candidate for the position of
ITTF Executive Vice President

2017-2021

**DELIVERING VISION
AND GROWTH FOR
GLOBAL TABLE
TENNIS**

Consolidating the advancement of new initiatives of Table Tennis within Oceania, as well as other Continents.

If elected into the position of Executive Vice President, I wish to strengthen the way in which the ITTF operates, through the creation and implementation of a Strategic Plan and a constitutional review. If successful I look forward to working together with the Continental Federations, and National Associations, to promote a new direction for the ITTF, that will lead the organisation into the future!

If elected...

- I want to help **revolutionise** the ITTF's **governance** structure, to meet the demands of the **modern world**.
 - As a member of the **ITTF Future Events Working Group**, I see the updated events program as the first step towards **revitalising** the **ITTF Constitution**.
 - Through **teamwork** we secured a new **Strategic Investment Agreement** from ITTF for ITTF-Oceania, which will assist in creating a **professional organisation**. I will endeavour that this type of investment is made with **all Continents**. It is my passion to assist in ensuring that **all National Associations** become more **capable** as well as ensuring sufficient equipment is provided.
